Judging and Marking Guide

Projects will be judged against the following criteria;

Project Idea (worth up to 5 points)

- Addressed West Yorkshire Police and OPCC priorities
  The Police Crime Plan
- Addressed local and/or school based cyber issues affecting young people or the wider community.
- Undertaken research into your chosen idea

Project Development (worth up to 5 points)

- Identified solutions to address the identified issue or risk
- Identified solutions to problems encountered throughout the project
- Everyone in your group has made a positive contribution and taken shared responsibility.

Success and Future of the Project (worth up to 5 points)

- Utilised the most effective ways to engage and communicate with your chosen audience
- Achieved your aims and objectives (how do you know you have got your message across and that your project has been successful?)
- Thought about the continuation of your project after contest has finished
