

Crime Prevention Checklist

Euro cylinder locks

**Love your
locks. You
deserve the
highest
standards**

Are the cylinder locks on
your UPVC doors up to
standard?

Do they stick out from the
door handle?

Is the door handle secure?

Euro Cylinder Locks - Key Facts:

- All euro cylinder locks on the external doors to your home should either meet TS 007 (3 star rating) or Sold Secure Diamond Standard for lock cylinders (SS312)
- Door handles should meet TS 007 (2 star rating)
- Cylinders should be measured correctly and fit flush to the handle or door
- The installation of sash jammers can also act as an extra deterrent
- The Master Locksmiths Association is the industry authority for locksmiths in the UK – **www.locksmiths.co.uk**
- Consider setting up a Neighbourhood Watch scheme on your street
