Promote Cyber Safety this Christmas - Help Block the Web Monsters!

Budding West Yorkshire artists are being offered the opportunity to see their festive artwork used as the official West Yorkshire Police Christmas card.

Our Cyber Christmas competition launches on **Monday October 29, 2018**, for children **aged 16 and under**, to design a cyber-safety theme for the Force's corporate Christmas card.

All entries must be hand-drawn and be posted to West Yorkshire Police Headquarters (full address available on the competition page) by the closing date **Friday November 30, 2018** (any entries received after the closing date will not be counted).

This year's theme will be encouraging parents and teachers to ensure kids are using trusted, safe and secure online platforms, and being aware of the dangers of using illicit platforms which can risk inappropriate content and virus attacks.

Children are asked to design a Christmas card on one of the following themes:

- Safe streaming
- Safe internet browsing
- Strong passwords
- Cyber bullying
- Online shopping
- Social media
