

# CRIME PREVENTION BADGE NOTE TO LEADERS & EVIDENCE OF ACTIVITY

This crime prevention resource pack has been produced by the University of Huddersfield and West Yorkshire Police. Its content has been shaped by Cubs and Leaders from both West and Central Yorkshire Scouts.

We'd love to receive your feedback on this dedicated crime prevention badge! When you've completed all the activities, we're keen to hear what Cubs, leaders, parents and carers:

- 1) have learnt;
- 2) now do differently and
- 3) whether the resource has changed attitudes and beliefs around crime prevention.

Please send any feedback, including photographs of the activities being completed, to Dr Leanne Monchuk via email ([l.y.monchuk@hud.ac.uk](mailto:l.y.monchuk@hud.ac.uk)) and use the hashtag #CubsPreventCrime in any social media posts.

We hope you enjoy these resources!
