Conditions of entry for the Public and Press attending a Public Misconduct Hearing

Wakefield District Headquarters,
Havertop Lane
Normanton

Introduction
The Police (Conduct) (Amendment) Regulations 2015 direct that misconduct hearings and special case hearings will be held in public subject to the discretion of the person chairing or conducting the hearing to exclude any person from all or part of the hearing.

Any member of the public or press wishing to attend a misconduct hearing may do so but due to limitations on space and capacity, attendance at the hearing will be administered and booked by application through the West Yorkshire Police website, www.westyorkshire.police.uk.

Hearings are held in accordance with the following legislation and guidance:-

The Police (Conduct) Regulations 2012
Home Office Guidance - Unsatisfactory Performance, Complaints and Misconduct Procedures

Panel Composition
Misconduct hearings are conducted by a panel of three people. They are chaired by a senior police officer who has had no previous dealings with the incident or with the investigation. The senior police officer, of Chief Officer rank, is referred to as the Panel Chair and will be joined by a police officer of at least superintendent rank, who has also had no previous dealings with the case, and an independent lay person who has been selected from an approved list held by the Office of the Police and Crime Commissioner. As of 1st January 2016, all misconduct hearing Panel Chairs will be independent and legally qualified. Special Case Hearings are chaired and determined solely by the Chief Constable.
Purpose of Public Hearing

Misconduct hearings are held to present the facts of the case and allow officers to give an explanation of their conduct and the circumstances surrounding the allegation. Witnesses may also be called to be questioned. The purpose of a public hearing is to show that the Police disciplinary system is open and honest, fair and effective and that we effectively hold corrupt officers, or those that are found guilty of misconduct, accountable for their actions.

Throughout the hearing, officers are given the opportunity to speak personally or have their legal representative and/or appointed Federation friend to speak on their behalf. The standard of proof is the balance of probabilities, unless facts are admitted.

The hearing is conducted in two parts. The first part considers the facts of the allegation against the officer. At the end of this examination of facts, the Panel retire and decide whether the officer’s conduct amounts to gross misconduct, misconduct or neither. A finding of gross misconduct means that the matter is deemed so serious that dismissal may be justified.

If it is established to the Panel’s satisfaction that the officer’s conduct did fail to meet the required standards, the second part of the hearing will determine the outcome. In considering the outcome, the Panel will take into account any aggravating or mitigating factors and consider evidence of the officer’s character and record of service.

All misconduct hearings will be in public, subject to any representations made by the officer and or witness, and considerations made by the Chair. Notice of a public hearing will be made not less than 5 working days prior to the hearing and this will be advertised on the force website. The hearing will be observed via live video link in the Don Pedro Suite at Wakefield District Headquarters, Havertop Lane, Normanton.

Should the hearing, or part of the hearing, be in private reasons will be given and published on the website. Upon the conclusion of the hearing, the Chair will decide whether to publish an outcome notice which may contain:

i. Name of the officer concerned
ii. Alleged conduct of the officer
iii. Finding
iv. Outcome

Please note:

- If you are a witness to a listed hearing you will not be eligible for a public seat
