

Our ref: FOI 1396365/22

This is a request for information that relates to the organisation's contracts around ICT contract(s) for Server Hardware Maintenance, Server Virtualisation Licenses and Maintenance and Storage Area Network (SAN) Maintenance/Support, which may include:

- Server Hardware Maintenance- contracts relating to the support and maintenance of the organisation's physical servers.
- Virtualisation Maintenance/Support/ Licensing (VMware, Solaris, Unix, Linux, Windows Server)
- Storage Area Network Maintenance/Support (EMC, NetApp etc)

For each of the types of contract described above, please can you provide me with the following data. If there is more than one contract please split the information for each separate supplier this includes annual spend

1. Contract Title: Please provide me with the contract title.

All products in these categories are purchased under the YaTH Hardware Framework (1597-2017 Contract Reference)

2. Type of Contracts (ABOVE): Please can you provide me with one or more contract types the contract relates to: Server Hardware, Virtualisation, SAN (Storage Area Network)

Contract information was previously held on BLPD, however we are currently in the process of transferring this information onto a new system called Intend which will be available imminently.

3. Existing/Current Supplier: Please provide me with the supplier name for each contract.

Softcat is the rank 1 supplier for this lot of our framework

4. Brand: Please state the brand of hardware or software

Contract information was previously held on BLPD, however we are currently in the process of transferring this information onto a new system called Intend which will be available imminently.

5. Operating System / Software (Platform): (Windows, Linux, Unix, Vsphere, AIX, Solaris etc.) Please state the operating system used by the organisation.

Predominantly Microsoft Window with some Linux/vSphere

6. Annual Average Spend: Please provide me with the most recent annual spend for this contract?

Roughly £1m

7. Contract Duration: (Please can you also include notes if the contract includes any contract Extension periods.)

8. Contract Expiry Date: Please can you provide me with the date of when the contract expires.

9. Contract Review Date: (An approximate date of when the organisation is planning to review this particular contract.)

Contract information was previously held on BLPD, however we are currently in the process of transferring this information onto a new system called Intend which will be available imminently.

10. Purchase of Servers: Could you please provide me with the month and year in which most/bulk of servers were purchased.

Contract information was previously held on BLPD, however we are currently in the process of transferring this information onto a new system called Intend which will be available imminently.

11. Number of Physical Server: Please can you provide me with the number of physical servers.

Approx 200

12. Number of Virtual Servers: Please can you provide me with the number of Virtual servers

Approx 800

13. Brief Contract Description: I require a brief description of the service provided under this contract. Please do not just put maintenance. I need at least a sentence.

Service for these call-offs is typically purchase of hardware + a period of support and maintenance, often 5 years

14.Contract Owner: (The person from within the organisation that is responsible for reviewing and renewing this particular contract. Please include their full name, job title, direct contact number and direct email address.)

The framework is owned by the Yorkshire & The Humber Regional Procurement Team. They can be contacted through the West Yorkshire Police Switchboard.

If this service is part of a managed contract, please can you send me the contract information for this managed service including Hardware Brand, Number of Users, Operating System, and contact details of the internal contact responsible for this contract
